

# MARINE & OFFSHORE

## Rules, Rule Notes and Guidance Notes

Update  
September 1<sup>st</sup>, 2018

All Main Rules and underlined references are available for download on [www.veristar.com](http://www.veristar.com) (item General info\BV Rules) (free of charge).

The paper version of Bureau Veritas Marine & Offshore Rules may be ordered from the list below.

Certain Rule publications may be browsed online on [www.veristar.com](http://www.veristar.com) (item BV Rules) in a fully updated version with amendments: e-Rules.

PDF: available as PDF file only / Price: available as PDF file and as paper version / Free: paper version free of charge

### MAIN RULES:

#### RULES FOR THE CLASSIFICATION OF STEEL SHIPS

NR 467 – Edition July 2018

(6 booklets + 1 booklet of Amendments if any)

|   | Reference  | Price        |
|---|--|--------------|
| <b>All booklets from Part A to Part F</b>   | <b>NR 467 DT FP July 2018</b><br><b>(FP: Full Package)</b> | <b>240 €</b> |
| <b>Part A1 – Classification and Surveys</b> .....   | <b>NR 467 A1 DT R15 July 2018</b>                          | <b>Free</b>  |
| <i>Chapter 1: Principles of classification and class notations</i>                        |  |              |
| <i>Chapter 2: Assignment, maintenance, suspension and withdrawal of class</i>             |  |              |
| <i>Chapter 3: Scope of surveys (all ships)</i>  |  |              |
| <i>Chapter 4: Scope of surveys in respect of the different services of ships</i>          |  |              |
| <i>Chapter 5: Scope of surveys related to additional class notations</i>                  |  |              |
| <i>Chapter 6: Retroactive requirements for existing ships</i>                             |  |              |
| <b>Part B1 – Hull and Stability</b> .....   | <b>NR 467 B1 DT R10 July 2018</b>                          | <b>75€</b>   |
| <i>Chapter 1: General</i>   |  |              |
| <i>Chapter 2: General arrangement design</i>  |  |              |
| <i>Chapter 3: Stability</i>   |  |              |
| <i>Chapter 4: Structure design principles</i>   |  |              |
| <i>Chapter 5: Design loads</i>  |  |              |
| <i>Chapter 6: Hull girder strength</i>  |  |              |
| <i>Chapter 7: Hull scantlings</i>   |  |              |
| <i>Chapter 8: Other structures</i>  |  |              |
| <i>Chapter 9: Hull outfitting</i>   |  |              |
| <i>Chapter 10: Corrosion protection and loading information</i>                           |  |              |
| <i>Chapter 11: Construction and testing</i>   |  |              |
| <b>Part C1 – Machinery, Electricity, Automation &amp; Fire Protection</b> .....           | <b>NR 467 C1 DT R10 July 2018</b>                          | <b>75€</b>   |
| <i>Chapter 1: Machinery</i>   |  |              |
| <i>Chapter 2: Electrical installations</i>  |  |              |
